

The Cloverdale Communicator

December 2012

Hidey Ho and Happy Holidays

Welcome to the newest neighborhood publication that is designed to foster friendship and a warm sense of community spirit within our subdivision. We hope to bring you news of local events, happenings within Cloverdale, and any other news you would like to spread to your neighbors. This is your social newsletter and we hope to hear from you with your news and ideas. Please take a look at the topics within this newsletter and feel free to contact us at CloverdaleCommunicator@yahoo.com with your contribution.

The President's Message

By Bob Montgomery

Your new Board was elected and installed in September: President-Bob Montgomery, Vice President -Tim Wright, Treasurer – Dave Barrack, Secretary – Donna Hamstead, Director – Troy Cassidy, Director – Jeff Whitaker, Director – Ronnie Fellers. You can contact your new Board Members via your community web site.

This past summer it was announced PATH has been terminated and removed as a project. See your community web site under news for the official announcement.

We are in need of volunteers for various HOA projects and committees. Please contact your President, Bob Montgomery.

Speeding has become an issue in our neighborhood. Sergeant Anderson of the State Police said that because Cloverdale has private roads they can not set up speed traps. However, we can call to report reckless or drunken driving. If a quick response is necessary and if it is a true emergency, we can call 911. Also, we can report plate numbers. The town police, sheriff's department and state police work very well together and they do patrol our sub-division.

I know that 15 mph is lower than most care to drive. Keep in mind, we do not have sidewalks and many of us walk and jog through our neighborhood. I am asking that you use sound judgment when driving in our development.

Continued on page 2

Tips and Tricks

Charge your mower battery before storing for winter.

Your last mowing should be 1/2—1 inch shorter than your summer height to prevent snow mold and other grass diseases.

Don't wait for that first snow fall, start up that snow blower now.

continued from page 1

Our community is aging. Many of our children have reached driving age. Parents, please talk to them about this issue as well as driving safely. Also, all of us adults need to set the example for our children by curtailing our speeding and driving safely through our beautiful sub-division.

On behalf of the Board we would like to wish you a Merry Christmas and a Happy New Year.

See you at our next Board meeting January 13, 2013.

Events

The Hoebeke family is hosting a Holiday party on December 15 at 6:00 pm. Feel free to stop by and introduce yourself and relax with friends both old and new. 178 Heath Drive.

Reminders

Control Burns are allowed October 1 thru December 31 - AFTER 5 PM and must be entirely out by 7AM. See your community web site for burning regulations or call (304) 725-8484. Let's clean up those brush piles.

Garbage and recycle pick up will be delayed one day during the weeks of Christmas and New Years.

Please report any street light outages and light pole problems to Potomac Edison at 1-800-686-0011.

Winter weather is coming. Walk around your house and yard – make any necessary repairs or apply that coat of paint.

Clean out your gutters before winter to prevent any backups.

...The final word

Peace to all and to all a good night. Happy Holidays!
