

NOMINEES FOR THE BOARD OF DIRECTORS

Three Directors will be elected for two-year terms.

September 12, 2015 ANNUAL MEETING

My name is **JEFF WHITAKER**.

I have lived in Cloverdale since 1992 and have served on the board and on the Architectural Review Committee. I am currently vice president of the board until my term's expiration. I believe in fiscal responsibility for the board, providing qualified services for the community at the least expense to the the neighborhood. Thank you.

My name is **STACI MANUEL** and my husband, Mark, and I have an 18 year old daughter, Victoria, and a 13 year old son, Tyler. We purchased our home in Cloverdale Heights in March 2008 and are very happy to have moved into such a beautiful neighborhood. I became a member of the HOA Board of Directors in July 2014 and since that time, I have served in various roles including Secretary and Committee Chair Person. I very much enjoy playing an active role in my community and believe it's very important to be an active participant in the decisions and actions that occur within it and I take the position of Director on the HOA Board very seriously as a representative for all of our homeowners. Thank you.

My name is **JEPHTHA** (Jeff) **PEACHEY**. My family is Rachel (my wife), Joshua, AJ, and Madison (my children). I have lived here for 4 years. I have wanted to become active on the HOA board but my schedule didn't accommodate that. My interests include aviation, hunting, and fishing. Thank you.

My name is **ANNE HERRON**. I have lived in Cloverdale Heights since 2003 and work in Rockville for the Substance Abuse and Mental Health Services Administration. I have been involved in community supports and organizational development for years and am very proud of our neighborhood and our support of each other. I would be very please to serve the residents of Cloverdale Heights.

My name is **JOHN SPOKES**. I am primarily a writer/author and have held managing positions related to publishing and marketing with both small companies and larger corporations. I am the author of three traditionally published non-fiction books and a political website with a substantial global readership. I have lived in Cloverdale for many years and I feel that my experience will be an asset to the HOA Board of Directors.

My name is **TROY CASSADY**. I have been a resident of Cloverdale since April 2000, my kids have only known this neighborhood as their home. I am looking to add a voice of common sense and participation to the board. I see a neighborhood of neighbors becoming friends and interacting with each other, instead of a bedroom community full of commuters who sometimes waive as they cross the speed bumps. We need to ALL become involved with the direction of our neighborhood. For far too long we have allowed properties to slip into disrepair and not simply lend a hand to new neighbors. I can recall once having a neighborhood party..... Once! I'd like to serve on the board and get out and meet new and old friends and move our neighborhood towards a more modern friendly neighborly place to live.
