

### **CLOVERDALE General Information**

**The December Board meeting has been cancelled - the next meeting will be January 10, 2017 at 7PM. A new meeting location will be announced when confirmed.**

### **NEW MAILBOX BUILDING**

The metal mailbox cluster transition from temporary to permanent occurred today, December 2nd. Arrangements with the Ranson Post Office for less than a 12-hour transition became difficult. The Postmaster provided a mail carrier Friday morning, Dec. 2nd to remove all remaining mail permitting the contractors to move the cluster. The mail carriers returned later in the day and delivered parcels, later returning to re-mail what had been removed earlier and then finally late evening the mail carrier returned to deliver the normal scheduled mail.

While there was a short-term surprise that inconvenienced homeowners we do hope you understand the issue. Without a firm notice from the Postmaster for scheduling to stop mail no e-news was broadcast and no formal announcement provided.

Friday's transition took less than twelve (12) hours and we thank you for your patience. We know you will appreciate utilizing your new mailbox building.

What to expect soon:

An updated map will replace the existing outdated map.

Cloverdale HOA announcements will be posted in the right-hand glass enclosed bulletin board.

The left-hand bulletin board is for Cloverdale homeowners only.

Requirement: homeowner's lot number must appear on all material posted

Thank you for your patience, any remaining work will be minimal and will not interfere with mail delivery or pick up.
